

Maths Level 1 (Maths and English Solutions)

Subject Area: English and Maths **Level:** 1 **Duration:** Not specified **Attendance details:** Part Time **Location:** Employer's Premises

Course Information

Who is this course for?

This course is for anyone who does not have a level 1 qualification in Maths.

What do you need to apply for the course?

No formal qualifications are required, (depending on the outcome of your initial assessment), just a commitment to revise/study at home.

What are the key things you'll learn?

This course covers all areas of the core curriculum for Numeracy level 1 and includes subjects such as fractions, decimals and percentages

How will you learn?

This course uses a range of teaching and learning methods. You will complete initial and diagnostic assessments, attend workshops (if necessary) and complete mock and final tests. Resource material will be provided for independent study. The learning will take place on your employer's premises, unless otherwise arranged.

Where could this course take you?

After successfully completing this course you may wish to progress to level 2 or study for an English qualification (Certificate in Adult Literacy).

“Good course – great teacher”
